

NLC CHURCH ONLINE

We are so excited that you are checking out our STC website. For church online you will have two options to choose from as seen below. We can't wait to see how God uses you to make an impact in your community.

Option 1: If you're near one of our physical locations, sign up for to serve with them.

Option 2: Find a local organization to serve with, take photos of yourself serving or with the organization and post them to social media with the hashtag #servethecity21 for a chance to have \$100 donated to your organization,
